Dear Festival Friends:

In a few months we will be celebrating the 20th anniversary of the Pawleys Island Festival of Music and Art. All events will be held at the beautiful and historic Litchfield Plantation. On September 24th the 11th Annual Pawleys Island Wine Gala will be held, featuring over 60 wines, fabulous food and dancing. The evening of September 25th will feature a headliner that will please a variety of musical tastes. The afternoon of September 26th will bring Cool John Ferguson, born in Beaufort, SC, who is considered by many to be among the five greatest guitarists in the world.

The following weekend on October 1st Judy Carmichael, Grammy nominated pianist, will perform. Then on October 2nd our tabled event will feature the fabulous sounds of a great symphony playing some classical selections as well as familiar and much loved Broadway show tunes. On the afternoon of October 3rd the Grand Strand Theatrical Youth Players will present "It's Showtime," directed by Tim McGee from the Theatre of the Republic.

The Festival board and committees are considering some other events which will incorporate the visual arts as well, including an art gallery crawl, chalk art street painting and film festival. As always we strive to unite and showcase the arts and creative culture in our community for locals and visitors to enjoy.

Your involvement, enthusiasm and support are extremely important, and we hope you will purchase tickets for the various events as well as consider providing sponsorships. Attached you will find package details regarding the different levels and benefits. **Please fill out the Membership Commitment Form and check the appropriate sponsorship level.
